“What is Sure Lock?”

Sure Lock ensures that the frame is safely locked during use, a requirement of the Australian Stroller Standard.

This simple one-lift fold is fast and fuss free.

Great for busy carers who need to get around quickly.

Lightweight
Under
7.5kg*

Travel System - CLICK & GO

For further versatility out and about or for in car use, add the coordinated Steelcraft Infant Carrier.

Steelcraft Infant Carrier available separately

The Agile includes adaptors for coordinated Steelcraft Infant Carrier.

A travel system allows you to move your child in the Steelcraft Infant Carrier from **Car** to **Stroller** without waking. It is a simple, smooth action which means your child will feel minimal disturbance.

Steelcraft Infant Carrier

Suitable from birth to 9kg
(to fit child to 70cm in length)

1 One hand release from car base for easy transfer between car and stroller

2 Ergonomic handle to comfortably carry on forearm

3 Fold back canopy and boot cover

4 Head support, harness pads and crotch buckle cover

5 Light weight carrier 3.75kg

* Infant carriers shown here with Tether Strap not attached. Bootcover needs to be removed when Infant Carrier is in vehicle.
